ABOUT MALAYSIA

Malaysia is one of the most vibrant countries in South East Asia region. Malaysia encompasses two regions – Peninsular and East Malaysia and comprising 13 states and 3 federal territories. The country provides vast advantages to international students, such as safe environment, political stability, developed infrastructure, affordable cost of living, quality food and multicultural friendly people. English language is widely spoken in the country and used as primary medium of instruction in universities and colleges.

Malaysia is 12th world's most preferred education by UNESCO (2014) and 9th most affordable country to study by QS Top Universities (2018). Currently, Malaysia is currently a home to more than 170,000 international students pursuing various levels of education. Malaysia offers values for money for education of the highest quality.

Malaysia's education system is of international standard, regulated by Ministry of Education and Malaysian Qualification Agency (MQA), who is overseeing the quality assurance practices and accreditation of the national higher education.

ABOUT UNIVERSITI KUALA LUMPUR (UniKL)

Universiti Kuala Lumpur is Malaysia's leading government linked university of engineering technology which aims to produce global enterprising professionals by providing a world class technical education and an enriching university experience. Since its inception on 20th August 2002, it has seen a rapid expansion to be one of the universities of choice in Malaysia spearheading the generation of knowledge in higher technical, vocational education and training (HTVET). With the concept of "One Institute, One Specialization", UniKL at present has 12 campuses strategically located all over Peninsular Malaysia, with its Chancellery situated in the heart of Kuala Lumpur. These 12 campuses are equipped with the state-of-the-art facilities, emphasizing on applied and experiential learning, reinforced by innovative research and global linkages with industries. Currently, UniKL offers over 130 programmes from Foundation to Doctoral level.

VISA REQUIREMENTS

UIO will facilitate students with any inquiries during the visa application process.

Please be informed that effective 15 December 2016, all students must obtain single-entry visa from the Malaysian Embassy of the Home Country prior to entering Malaysia.

DO NOT PURCHASE FLIGHT TICKET BEFORE RECEIVING THE SINGLE-ENTRY VISA FROM THE MALAYSIAN EMBASSY/ HIGH COMMISSION AT YOUR HOME COUNTRY.

In the absence of Malaysian Embassy/ High Commission at your home country (for example Portugal, you may obtain your Visa on Arrival at the airport in Malaysia upon your arrival).

Student may apply for the visa online through EMGS website once they receive Acceptance Letter and Visa Application Guidelines from UIO.

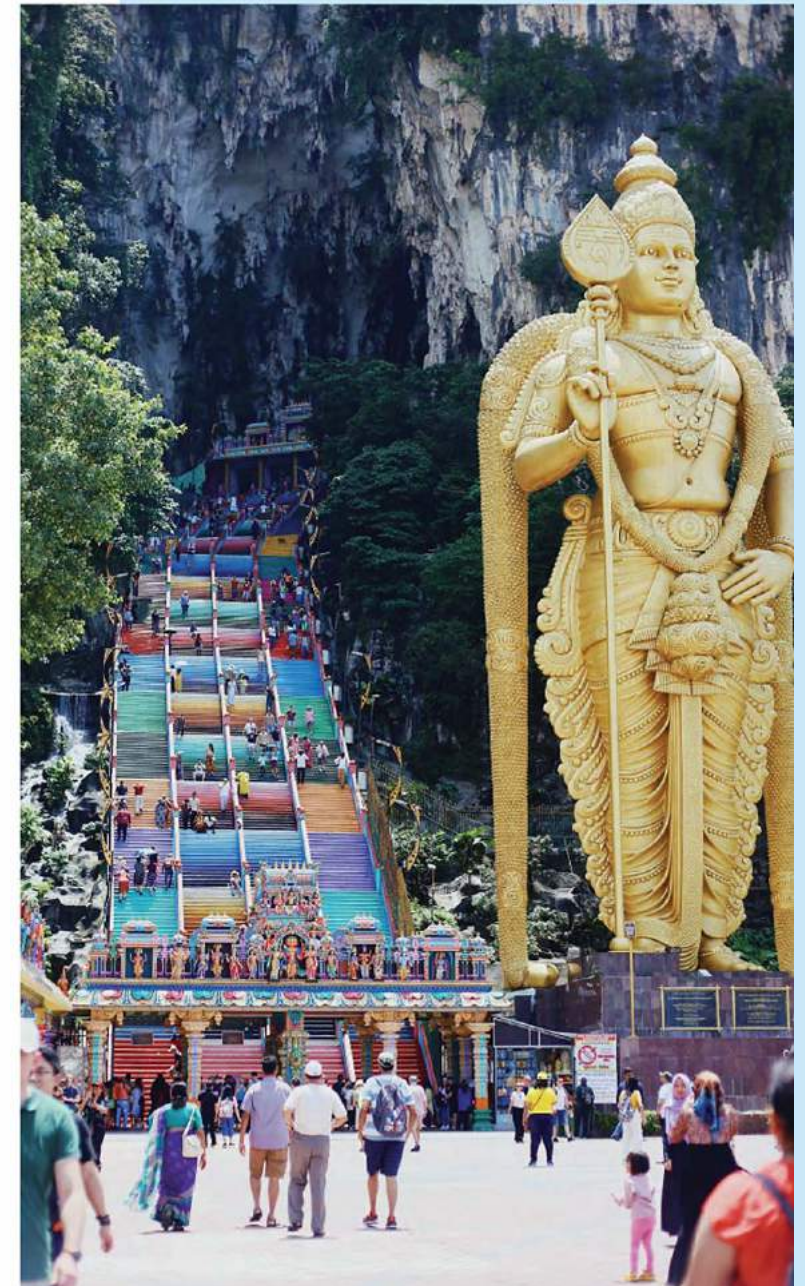

Note: You may be required to re-submit/add documentation depending on EMGS requirement during the visa application process.

Payment: You need to make the visa payment directly to EMGS through credit card during your visa application.

Upon approval and receipt of the VAL (Visa Approval Letter), UIO will notify the student and the Home University. Student can download the VAL through their EMGS account/ Mobile apps.

Student must immediately apply for a single-entry pass from the Malaysian Embassy/ Malaysian Representative Office in the home university country.

Upon arrival in Malaysia and after having passed the Medical Screening, UIO will collect passport from the students and submit to EMGS/Immigration to get the visa sticker on it.

VISA PROCESSING FEE

VISA APPLICATION PROCESSING FEE

The amount varies as it depends on the citizenship, duration of the mobility and other varying factors

INSURANCE

Depends on the package that students chose among those approved by EMGS

MEDICAL SCREENING UPON ARRIVAL IN MALAYSIA

RM 250

I-KAD (expatriate identification card)

RM 50

POSTARRIVAL

All students are required to attend a medical examination once they have arrived in Malaysia in any of the EMGS Panel clinics listed (<https://educationmalaysia.gov.my/how-to-apply/medical-screening/registered-overseas-clinics.html/>) within SEVEN (7) days of arrival. Any students who fail this medical screening will not be issued with a student pass and will be required to leave the country. This medical test includes drug/cannabis test too: please be more attentive to this matter, as drug laws in Malaysia may differ from those in the other countries.

Various types of accommodation are available either on campus or at private residence. Students can email UniKL International Office at msufiza@unikl.edu.my or all.uio@unikl.edu.my for information
